Effective date:	18 th July 2019
Valid till:	18 th July 2022
Product registration number:	qSPARC.V2_LOG03052019_0149
Product vendor name:	Logomotion, s.r.o.
Product operating system / model:	JCOP 2.4.2 R1
Product name:	LGMRuPay 1.0-RuPay DI Applet
Product type:	Dual Interface(Contact & Contactless)

RuPay Compliance Program (CP) has found reasonable evidence, after assessing your Type Approval test summary report along with the Product Information Form (PIF) that the submitted samples of the above referenced product sufficiently conform to RuPay EMV Dual Interface Card Application Specification, version 2.0 Addendum to version 2.0. Along with the conditions of approval mentioned in Appendix A, if any, RuPay Compliance Program hereby grants approval to your Dual Interface (Contact & Contactless) Card type functional.

This approval does not extend to any other portion or component of a card application that is not defined in RuPay EMV Dual Interface Card Application Specification version 2.0 Addendum to version 2.0.

Please find conditions for approval in the appendix A.
